

For the Love of Wine

The Publico wine list has been curated with four intentions: simplicity, diversity, curiosity, sustainability.

Simplicity

First and foremost, the featured wines simply pair well with Publico's Italian cuisine. However, knowing that your choice of wine resonates with feelings or moments in the day, the list is playfully classified from easy drinking "anytime" wines, to complex & celebratory labels, and everything in between.

Diversity

Overall the wine list is Italian-centric with varietals ranging from classic & familiar to unique indigenous grapes which initially could only be found in their native pockets of Italy, but in recent years have been grown experimentally in other parts of the world.

Enhancing the diversity further, a sprinkling of international labels, particularly those which are famed for their terroir and production are present for the purists.

Curiosity

The wine selection is an invitation to discover a vineyard, region or grape which you haven't tried before and may come to be your next favourite. By keeping the layout simple yet diverse, we encourage you to follow the path your curiosity leads.

If you get lost or need any assistance along the way, our team are always there for you. Please don't hesitate to ask!

Sustainability

As a special shout-out to wineries who are focused on minimising environmental impact and consciously reducing their carbon footprint, you'll find a selection of wines highlighted with a  denoting their vineyards are sustainable, organic, or biodynamic.

PUBLICO

Prices are subject to 10% service charge and prevailing government taxes.
Wine vintages are subjected to change.

IL BORRO WINE

For a Stylish and Sustainable Toast

Publico partners exclusively with esteemed Tuscan wine estate Il Borro, owned by the fashionable Ferragamo family, who instill the same level of Italian craftsmanship in their winemaking. Il Borro takes pride in its organic agricultural practices, encouraging the Earth's energy. It is a return to the concept of "the strength of the land". An agronomic system, the environmental impact of which is reduced to a minimum, in line with the best practices of sustainable farming. The results of nurturing the land are evident in the incredibly luxurious and palatable range of wines.

Approachable

Il Borro Lamelle Toscana Chardonnay 105\$

Lamelle is a fresh and delicate wine with bright intensity and exceptional fruit. You'll find citrus notes, well defined white peach and plenty of minerality. Pure Chardonnay. An easy drinking pleasure.

Il Borro Rosé Del Borro 100\$

The Rosé del Borro reflects the pale pink sunsets at Il Borro estate. The wine is made with Sangiovese, which gives beautiful wild cherry, rose and violet aromas with delicate yet profound taste. Perfect for every occasion.

Il Borro Pian Di Nova Toscana Rosso 120\$

A blend of Syrah and Sangiovese, in smaller amounts. Pian di Nova goes into second passage barriques for 12 months, and it shows energy in terms of primary fruit. Medium dark in appearance with a medium body and a fine amount of fresh dark fruits and soft tannins to follow.

Amplified

Il Borro Petruna Anfora Sangiovese 2017 300\$

Petruna is a pure expression of organically farmed Sangiovese, which goes for 1 year into terracotta amphorae. An homage to tradition. Ruby-red in colour with an intense, complex bouquet with notes of ripe red fruits and distinctive aromas from the amphorae skin contact. Cherries but also floral and citrus notes, all well balanced with elegance. A very unique wine.

Il Borro Toscana Rosso 2015 300\$

A blend of Merlot, Cabernet Sauvignon and Syrah, Il Borro Toscana is a smooth, full-bodied wine that offers an A-list aromatic presentation with dark fruit and plum followed by savoury spices, leather and tobacco. Tannins are smooth and so well integrated, rich in alcohol yet extremely elegant. A true great Super Tuscan wine here in one of its finest vintages.

Il Borro Vinsanto Occhio Pernice 2013 375ml 280\$

A sweet Vinsanto from the traditional Tuscan method, where grapes are hung in well aerated rooms for four months during the natural drying process. The precious nectar obtained will take years to develop the intense dried apricots, sultanas and dates profile that best describes it, enriched by a caramel and almond nuance. Fairly sweet on the palate, the acidity backbone from the dried Sangiovese grapes makes the wine very easy to drink, long lingering and complex with honey and candy finish. A true expression of Vinsanto.
